

Breathe fresh air again

CBLE

ACTIVE LINEAR CHILLED BEAM FOR OPEN CEILING APPLICATIONS

CBLE's are offered for both, cooling and heating in lengths from 2 to 10 ft. The low overall height of the CBLE is ideal for open ceiling or retrofit applications with limited floor height.

Features & Benefits

- » Exposed linear chilled beam with 1-way or 2-way air distribution patterns
- » Optimized nozzle design provides high capacity and low noise levels
- » Linear design matching commercial architectural styling
- » Integral coanda plates for ceiling independent operation
- » Optimized diffuser geometry maximizes occupant comfort
