Dimensions are in inches.

Installation

The RCP Return Canopy is easily installed above the return grille in the plenum space above a ceiling grid as shown. Orient legs toward nearest adjacent return.

General Description

Standard Finish: #04 Mill

- Galvanized 20 gauge steel construction with 1/4" fiberglass liner
- Designed to be installed behind lay-in return grille (sold separately)
- Reduces cross-talk noise in common plenum spaces
- Serves as light shield above grille
