metric sizes sight proof design MRI compatible

MODEL:

45F / Aluminum Border & Core

FINISH:

Standard Finish - #26 White

OVERVIEW

The 45F is an all aluminum return grille with an eggcrate core at a 45 degree deflection angle that prevents line of sight through the grille. Get the benefit of an attractive look which hides the plenum or the duct behind it without the use of a light shield or plenum.

For Performance Data, refer to page I24
