## **Miscellaneous Options**

## **General Description**

• TITUS<sup>®</sup> model MSG-PRT is a maximum security grille. The design of this grille allows a greater effective free area and air flow without compromising security and safety. With the optional flat security bars, this grille meets or exceeds the ASTM standard A-750-77 for detection area grilles.

#### Standard Construction Detail

• Face plate: 5 mm steel with 8 mm diameter holes on 11 mm staggered centers.

• Sleeve: Standard unit has 5 mm steel sleeve stitch welded; length to be specified. Also available with optional 64 mm x 10 mm flat bars spaced on 102 mm centers, welded inside sleeve.

· All welded construction.

#### Standard Finish: #26 White
