General Description

- TITUS Modu-Bloc return, Model MBR-30-NT is designed to be visually pleasing while providing superior performance.
- Designed so that a ceiling tile (by others) can be field cut and inserted in the face of the return. This results in a smooth, clean appearance that blends with the ceiling.
- For use in a plenum return system.
- Fits a 24" x 24" narrow tee ceiling grid.
- Choice of 1, 2, 3 or 4 slots.
- Choice of 3/4" or 1" slots.
- Material: Extruded aluminum face, steel light shield.
