General Description

- The TITUS AG-95-S and AG-95-L may be used with all TITUS Series TDC louvered diffusers or PAS, PDS and PCS perforated diffusers having square or rectangular necks.
- Installs directly to the diffuser neck.
- Gang operated opposed blades meter air volume precisely with minimal air disturbance.
- Operating lever is accessible from the face side of the diffuser.
- Models AG-95-S and AG-95L are shipped loose for field installation.
- Material is galvanized steel.
