2-Slot construction shown
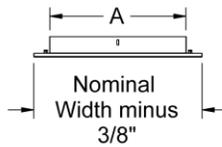

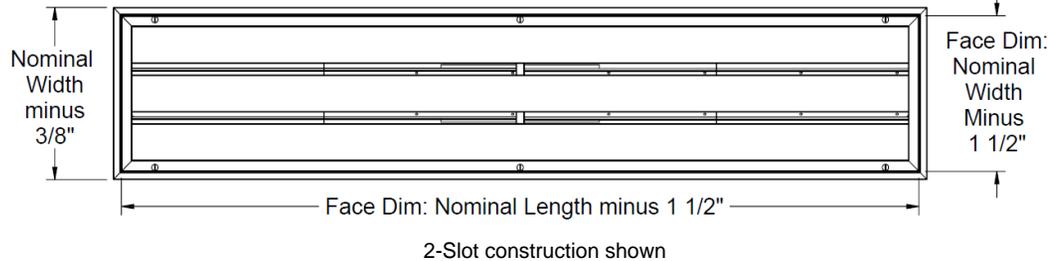

Construction Material

Check ☑ material type provided

☐ Aluminum

☐ 304 Stainless Steel

Finish

Check ☑ finish type provided

☐ #01 Aluminum

☐ #04 Mill Finish

☐ #26 White

System Size:

Nominal length

_____

Minimum length increment is ¼".

Check ☑ configuration provided

	Nominal Width	A
	(in)	(in)
☐	10	6 13/16
☐	12	8 13/16
☐	15	11 13/16

Slot Configuration

Check ☑ configuration provided

☐ 1-Slot

Perforated equalization baffle

Fixed pattern controller

☐ 2-Slot

Perforated equalization baffle

Fixed pattern controllers
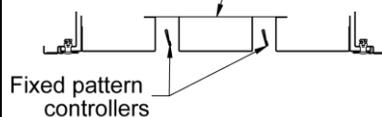

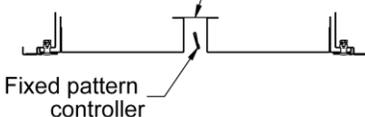

Notes:
1) Maximum nominal length for a single section is 72 inches
2) Minimum nominal length is 18 inches
3) Units with nominal lengths exceeding 72 inches will be have multiple equal length sections
